EMOLLIENT & REFRESHING Aloe Vera & Avocado

According to researches, organic aloe vera extract is known to have benefits for the skin such as;

- Soothing Sunburn
- Adding Moisture
- Preventing Dark Spots
- Relieving Irritation
- Slowing Signs of Aging

In addition to vitamin E, organic avocado extract contains potassium, lecithin, and many other nutrients that can nourish and moisturize the skin. The outermost layer of skin, known as the epidermis, easily absorbs these nutrients, which also help to form new skin. Thanks to the rich organic aroma of aloe vera and avocado, this soap moisturizes and softens your skin. They can also benefit your skin by keeping you looking youthful and radiant. Vitamin E in these plants promotes softness and prevents wrinkles, gives your skin an emollient and refreshing effect.

SPECIAL SKIN CONDITIONING Argan & Papaya

Organic argan extract has many benefits such as protecting the skin from sun damage, moisturizing skin, treating acne, improving wound healing, having anti-aging effects and reducing skin's oiliness. A natural exfoliating enzyme, papain helps to rejuvenate your complexion by sloughing off dead skin cells, dirt and excessive oil. This enzyme is able to break down dead skin cells and sebum in your pores, revealing the fresh, smooth skin underneath. A gentle but powerful exfoliant, organic papaya extract leaves your skin feeling soft, supple and luxurious to the touch. Containing argan oil and papaya oil, this soap deeply moisturizes skin without a greasy feel, softens skin with intense moisturizing structure and helps to protect from external factors.

PEELING SOAP

Carrot

Organic carrot extract is very effective for the human body owing to its antibacterial and healing powers. It is capable of hydrating dry skin and is used as a lubricant for the outermost layer of the human skin. This extract is capable of infusing into the skin to restore the lost moisture which happens due to evaporation. It forms a protective coating on the skin helping it to retain its natural moisture level. Carrots contain vitamin C, which has healing properties. It helps skin recover faster from external wounds and trauma. Beta-carotene in carrots also reduces skin inflammation, which speeds the healing process. By this organic carrot extract, this soap will exfoliate your dead skin cells and will rejuvenate your skin. You will feel detoxed and relaxed.

MASKING Cinnamon & Turmeric

Organic cinnamon extract has many benefits for the skin such as healing acnes, adding moisture to the skin, aiding the treatment of dry skin and treatment of eczema. Thanks to the antifungal and antibacterial properties, cinnamon helps in enhancing skin complexion.

In addition, turmeric organic extract has antimicrobial and antioxidant properties that can help to:

- *Heal wounds*
- *Fight eczema and psoriasis*
- *Reduce acne scarring*
- *Brighten dark circles*
- *Bring out your natural glow*

This soap contains organic compounds which promote circulation and bring more blood toward your skin, nourishing and plumping it. By doing so, the fine lines will start to fade away.

ANTIOXIDANT Cocoa

The use of organic cocoa extract helps to protect skin from free radicals and helps to destroy signs of aging. It can be used to maintain skin health due to flavanols. Flavanols decrease the harmful effects of UV rays to skin while enhancing elasticity and hydration. These properties help to soften, clear and detoxify your skin. Organic cocoa extract can also increase the elasticity of your skin, which helps with fine lines, wrinkles and reduces the appearance of scars. Organic cocoa powder is derived from beans that contain hefty quantities of natural antioxidants. The researchers found natural cocoa contains the highest capacity of the antioxidant. Antioxidants are thought to be effective in helping to prevent cancer, heart disease, and stroke.

SOOTHING & PERFUMING Linden Tree & Tea Tree

According to researches, organic linden flower extract is known to have benefits for the skin such as;

- Providing powerful antioxidant protection
- Making it soft and supple
- Slowing down skin aging process
- Balancing skin natural sebum production
- Locking moisture into skin
- Tightening & cleaning the pores and firming the skin

In addition, organic tea tree extract is a popular choice for treating acne because of its anti-inflammatory and antimicrobial properties. It's thought to calm redness, swelling, and inflammation. It may even help to prevent and reduce acne scars, leaving you with smooth, clear skin.

Organic linden flowers and tea tree extracts have common properties such as calming anxiety and relieving high blood pressure. By this way, they give you a soothing feeling and a fragrant smell.
